Kristina,

We had a total of 365 pet waste information sheets distributed between 9/23/25 and 12/31/25.

Thanks!

Shiloh:

Our permit period with the state changed in 2025. Do you by chance have the number (or estimate) of pet waste brochure that you distributed between 9/23/25 and 12/31/2025? After this report, the numbers will be tracked on a calendar year basis (January 1st thru December 31st).
