Kristina,

Sorry for not getting you names until this morning but here are the people that I will be sending to the class.

Leslie Stevens – lstevens@harkerheights.gov
Patrick Wilson – pwilson@harkerheights.gov
Jonathan Hicks – jhicks@harkerheights.gov

Thank you,

Jonathan Hicks

Subject: Fw: 3/13/25 Water Quality Testing Training - Need information
Importance: High

I need to get the guys names and email addresses from you ASAP. If you have to share it email address that belongs to the city. Then just let me know which one to assign them to. They have to get cleared before they take the class and it's next week.

Mark - Todd indicated that none of his guys needed to take the class. Do you want Chucks guys to be cross trained?

Subject: 3/13/25 Water Quality Testing Training - Need information

The State has asked for the full names and email addresses for those attending the 3/13/25 Water Quality Testing Training (400 Indian Trail Room C). There is a pretest that they will need to take prior to the training. If they do not have a city email address we will need a private email so they can be confirmed as passing the pretest.

I need the above prior to noon on Monday.
