In addition, any municipal park, section or part thereof may be declared closed to the public by the Director or a peace officer at any time and for any interval of time upon a temporary basis (daily or otherwise), either entirely or merely to certain uses as the Director or peace officer shall find reasonably necessary to manage, use, preserve and govern park property, buildings and activities.

 - (3) Wash a vehicle in any park or do routine maintenance in any park area not specifically designated for that purpose.
- (B) It is an affirmative defense to prosecution under division (A) of this section that the driving, stopping, standing, or parking was due to temporary mechanical failure of the vehicle, provided that as soon as reasonably possible the operator completed emergency repairs or summoned tow removal equipment, as appropriate.
- (C) The Director is authorized to establish time limits for the parking of motor vehicles within designated parking areas of the city's parks.
- (D) If any motor vehicle is found within any park in violation of this division and the identity of the operator of such vehicle cannot be determined:

§ 105.09 ADDITIONAL RULES.

- (A) The Director shall have the authority to adopt such additional rules as may be reasonably necessary to protect the safety of persons and property in parks, and to ensure that parks and recreation facilities are available for use on an orderly and non-discriminatory basis for those persons wishing to utilize those facilities.

- (E) It is an affirmative defense to prosecution under this chapter that at the time and place of the alleged violation the person:
 - (1) Had obtained written permission from the city or the Director to engage in the activity for which the offense is charged;
 - (2) Was acting on instructions lawfully given by a peace officer, the Director, or a park attendant;
